Table with 3 columns: Catalog, Qty, Notes. Multiple empty rows for data entry.

All instruments and equipment must be decontaminated and disinfected prior to shipping to Teleflex Repair.

Please sign below indicating all instruments/equipment in this order have been properly decontaminated and disinfected.

Customer signature: \_\_\_\_\_ Date: \_\_\_\_\_

Please note that if the above is not signed, the order will be decontaminated by Teleflex Repair and a decontamination fee will be added to this order.

Open Surgical Appliers

- All Teleflex ring-handled reusable open-surgical appliers are covered by a warranty. Teleflex Medical will repair, or replace, free of charge, these appliers as long as the appliers are used as intended for application of Teleflex clips and have not been repaired by unauthorized personnel.

Endoscopic Surgical Appliers

- Weck manual load endoscopic appliers are covered by a three-year warranty on defects in materials and workmanship and a three-year repair service on tip alignment and refurbishment as long as the appliers are used as intended for application of Weck clips and have not been repaired by unauthorized personnel.
- Vesolock and Vesoclude manual load endoscopic appliers are covered by a two-year warranty on defects in materials and workmanship and a two-year repair service on tip alignment and refurbishment as long as the appliers are used as intended for application of Vesolock and Vesocclude clips and have not been repaired by unauthorized personnel.
